ENFORCE LAW, SAY SPORTSMEN

Fish and Game Protective Association Will Ask Legislature for Relief.

President Scheffel of the Utah Fish and Game Protective association has called a meeting for next Monday night at the Commercial club. This is the organization formed last spring by Utah sportsmen for the protection of fish and game and numbers among its membership some of the most prominent fishermen and hunters in the state.

The calling of a meeting at this time is for the purpose of taking steps to bring before the legislature the shortcomings in the present fish and game law. At this meeting the members will discuss ways and means of bringing this matter up in the way it will do the most good.

While every individual in the state perhaps has ideas of his own as to how the fish and game laws should read and how they should be enforced, it is perhaps the consensus of opinion, based on discussions among the members of the association for the past six months, that all that is needed now is the enforcement of the present laws. There might be a few changes made in the law, but the sportsmen believe they will accomplish more if they go before the legislature saying they are all agreed upon one point—that is leave the laws as they stand and enforce them.

Willing to Tax Themselves.

In order to help the state along the hunters and fishermen will in all probability ask the state to pass a law making a residence license of \$1 on a rod and gun. This would create a big fund which in turn can be used to help defray the expenses of the game wardens. It is done in all the leading states where any headway is made in the protection of fish and game. Information on this subject from Idaho and Montana show that a large sum is raised in this manner. The game warden's report for 1905 in Montana shows that about \$40,000 was raised in this manner, which is four times as large as the appropriation made by the state. Montana has less population than Utah and has fewer fishing streams and not nearly as much hunting is done. The members of the Utah sportsmen are probably a unit on this point and as it is the sportsmen themselves who put up this tax, they do not see why there should be any kick coming.

Warden System Wrong.

It is also believed by many who have made a study of the situation that the present plan of having each county control and appoint its own game wardens is a mistake. In the outlying districts it is alleged that the game wardens make no attempt whatever to enforce the law and many reports have come in to show that the wardens themselves are the chief offenders. The plan suggested by the members of the association is to have the state game warden have entire jurisdiction over the wardens of the state. He should be given enough money to hire deputies, they say, at a fair salary, and then see that they do some work to earn it. At the present time the salaries of game wardens and deputies in the state range from \$10 to \$20 a month, and with the probable exception of Salt Lake county, practically no good results have come from these appointments. Again it is claimed that politics and not efficiency are taken into consideration, and as a result county game wardens are loath to make an arrest, for fear of landing some person with a political pull.

Law Is Evidently Broken.

That the law is broken and broken badly, the association has abundant proof. Some of the best streams in the state are dynamited for fish, and the association members have the proof that in certain localities there is no attempt made to keep the law in regard to the limit in killing ducks.

Probably Salt Lake county is the only county in the state where the wardens watch for these infringements of the law, and in this county they have the help of well regulated duck clubs to help the officers out. At the mouth of Bear river, the principal duck shooting grounds of the state, no attempt was made the past fall to keep within the limit of the law and no attempt was made by the wardens to enforce the law. This club has proof of it and it is said will bring forth some startling statements before the present legislature adjourns.

Enforce the law as it stands, say the true sportsmen and are willing to pay a license to help the state to get its money to do this, is about the way the matter will be put before the legislature.

SUNSHINE GREET'S ASCOT

Track in Bad Shape, but Favorites Come Off With Share of Wins.

Los Angeles, Jan. 10.—Sunshine greeted the crowd at Ascot for the first time in a week. The track was in a poor condition, however, being very muddy. Favorites generally made a good showing. Hurdle in the last event at 7 to 1 being most notable in this respect. She came up from fifth position in the stretch and won by three lengths.

First race, six furlongs—Jack Kerchival, 105, Brussel, 6 to 1, won; Niblick, 107, Kent, 3 to 1, second; Mortlake, 103, V. Sperry, 25 to 1, third. Time, 1:19. Lord Provost, Kineman, Rosinski and Stoguel also ran.

Second race, six furlongs—Round Dance, 110, Holland, 7 to 5, won; Pimkin, 97, Gargan, 7 to 1, second; Little Minister, 109, Hart, 6 to 1, third. Time, 1:17. Gold Heather, Treasurer, Scott, Cyclops, Lord Rosington and Culliver also ran.

Third race, five and a half furlongs—Toss, 100, 112, Kosorn, 2 to 1, won; Ambitious, 112, Kent, 25 to 1, second; Lach at, 112, Boland, 7 to 1, third. Time, 1:09. Darnum, Lyman, Wronson, Vassie, Rabinovich, Agnes Mack also ran.

Fourth race, mile—Merlingo, 95, Preston, 2 to 1, won; Entre Nous, 100, Finn, 5 to 2, second; Livius, 96, Brussel, 15 to 1, third. Time, 1:49. Lord of the Heath also ran.

Fifth race, seven furlongs—Scythus, 112, Koerner, 7 to 10, won; Lord Stanhope, 100, Finn, 9 to 5, second; Judge Nelson, 112, Sperry, 6 to 5, third. Time, 1:29. Stever also ran.

Sixth race, five and one-half furlongs—Hurtle, 112, 106, 7 to 1, won; Black Rose, 112, Bulwell, 4 to 5, second; Above, 112, Athena, Pacts, Rosemary B. and L. Albertine also ran.

FAVORITES RUN TO FORM

Jockey Williams Up Four Times and Gallops in Winner Each Time.

San Francisco, Jan. 10.—The track at Emeryville today was very sloppy, but nearly all of the well-placed horses ran to form. Jockey L. Williams won his fourth mounts.

First race, five furlongs—Earl Bennett, 108, L. Williams, 16 to 5, won; Ella True, 109, Davis, 3 to 2, second; Calla, 105, McBride, 7 to 1, third. Time—1:30 2-5. Joyful, Rosy Light, Weatherford and Lamhertha also ran.

Second race, five and a half furlongs—Earl Rogers, 112, L. Williams, 2 to 1, won; Bell Road, 107, L. Williams, 6 to 5, second; Bratford, 109, Brown, 4 to 1, third. Time—1:39 1-5. Matt Hogan, Lillitus, Dr. Sharp, Eduardo and Wheatstone also ran.

Third race, mile and fifty yards—Sir Carter, 109, Davis, 2 to 1, won; Talismant, 112, Fountain, 8 to 1, second; Cherrie, 107, McBride, 2 to 1, third. Time—1:50. Royal Red, Dardanel, 107, 107, 4 to 1, third. Pay Me, Vigoroso and Canajo also ran.

Fourth race, six and a half furlongs—Vanness, 108, L. Williams, 3 to 10, won; Shm, 107, McBride, 3 to 2, second; Chief William, 110, Graham, 20 to 1, third. Time—1:22 3-5. Prestige, Sea Lad, Judge, Ismailian and Ank also ran.

FIGHTER A DESERTER.

Charles Sinclair Knocked Out and Arrested When He Came To.

New York, Jan. 10.—Just after he received a knockout blow in a boxing bout here tonight, Charles Sinclair was arrested by the police at the instance of the federal authorities on a charge of being a deserter from company M, Third Infantry, U. S. A. The regiment, now stationed at Fort Crook, Neb., was in the Philippines where Sinclair is alleged to have deserted in 1902.

The police learned that the alleged deserter was billed for a fight with Tom Garry, a local heavyweight, tonight, and several detectives appeared at the arena during the second round. While the officers were considering which was the man wanted, Gerry gave Sinclair an uppercut, putting him out of the fight. When Sinclair opened his eyes, he was under arrest.

LIPTON CONFERS A CUP.

London, Jan. 10.—Sir Thomas Lipton has conferred a cup for a yacht race in Hampton Roads during the Jamestown exposition.

SOCKER BOYS COME TO LIFE

Eureka Has a Chip on Its Shoulder and Wants Some One to Start Trouble.

(Special to The Herald.)

Eureka, Utah, Jan. 10.—How about the Daynes' challenge cup for soccer football? Is the question agitating the minds of the Eureka sportsmen. Eureka claims to have fairly earned the trophy this past season, having given Salt Lake some severe drubbing. The players say that if the Salt Lake bunch thinks Eureka is not entitled to the trophy, they are willing to play the Salt Lake team a series of five games for it. The team winning the most games to carry off the cup. They want two games here and two away, and will play the final on neutral ground. And if Logan B. V. C. wishes to enter, some other arrangement could be made. Coach Testel of Provo B. V. C. would be welcomed with open arms if he wants to try his "sermige" followers. Eureka's suggestion is that all games could be played between the middle of March and the first day of May. Eureka also wonders if Park City is still on the map.

BOWLING.

The Columbians and Crystals gave an exhibition of what real bowling is in the third game of their series last evening. By a narrow margin of two points the Crystals won and had to pile up an average of 200 to do it. The first two games were captured by the Columbians. The scores:

Columbians.		
Walton	155	189
Williams	171	158
Saltz	197	195
Reedall	197	216
McLeod	194	151

Goldschwan	159	183
Schmierer	154	180
Quinn	181	139
Burt	163	196
Totals	503	598

MALNE, 188; DAVIS, 75.

In the billiard match last evening between L. Malone and Josh Davis, the latter ran out his string of seventy-five while Malone was piling up 188 points. Malone was to have run 200. The score by innings:

Malone 9 0 6 4 19 0 30 32 12 2 50 16-188
Davis 3 6 0 5 5 9 0 12 17 5 15-75

LOOKS BAD FOR COAST LEAGUE.

Los Angeles, Jan. 10.—The directors of the Los Angeles Baseball association today re-elected Henry Berry as manager of the club. Captain Dillon was chosen to continue in charge of the team on the field. The possibility of the withdrawal of Portland and Seattle from the Pacific Coast league was not regarded with alarm, but on the contrary it was pointed out that the traveling expenses of the match have been decided, the final games to reach a verdict will take place in New York.

PROVO NEWS NOTES.

Provo, Jan. 10.—The following jurors were accepted for service for the term in the fourth district court today: George E. Howe, George Moore, Provo; F. J. Salisbury, Lincoln; Edward Reddies, Salem; R. T. Huel, Ferdinand Schramm, Provo; Paces, Payson; Wm. A. West, Pleasanton; J. Johnson, Provo; Thomas Clark, Lehi; W. H. Carson, Fairfield; James Healy, Alpine; George Ellis, Spanish Fork; Arthur Dixon was fined \$5 for failure to appear.

The case of the State vs. George Ferre is now being tried. Ferre stabbed Thomas G. Wright on the 24th of last July in the Exchange saloon in this city, and for a time it was feared Wright might die. Wright and some other man were playing pool, and they were annoyed by a man by the name of Davis, a relative of Ferre. Ferre afterward came in and "smoked" in the trouble, striking Wright, and afterward, in a scuffle on the floor stabbed him five times in the left side with a pocket knife, according to the evidence of the prosecution.

Marriage licenses have been issued to the following couples: Cyrus Jensen, of Highland; Otto Hansen and Nellie Sorenson, both of Vineyard; Ruel Aycock and Grace Wignall, both of Springville.

Willard Andelin, assisted by the tabernacle choir, gave a concert in the tabernacle before he returns to Europe for his operative engagement.

Land in the south end of the valley has increased in price from \$8 and \$10 to \$20 and \$30 an acre, on the strength of obtaining water from the Strawberry valley project.

The Utah Timber company expects to open a coal yard here in the near future. Coal is what Provo wants.

COAST PLAYERS MUST GO BACK

Those Who Left After Earthquake Will Have to Run Chances Again.

New York, Jan. 10.—With the exception of the Tri-State-Atlantic league dispute over the cities of Wilmington and Trenton, only a few minor disputes remained to be adjusted when the session of the National Association of Baseball Leagues began today.

The board decided that all players in the Pacific Coast league prior to the San Francisco earthquake last spring, unless they have been sold, drafted or released in writing, shall revert to the Pacific Coast league. Under the stress of the earthquake difficulties many of the players left the coast and later took refuge in the leagues below classification. The classification was made according to the aggregate population of the cities composing them.

There are some constitutional changes yet to come before the association, among them a proposal to limit salaries of players, and to place them on a uniform basis. The leagues are placed in four classes, A to D, according to the aggregate population of the cities composing them.

The first death in the corps occurred last evening in the person of Mrs. Anna M. Johnson, assistant guard, and her chair was appropriately draped.

CHESS MASTERS MEET.

New York, Jan. 10.—Following a conference held here between Dr. Emanuel Lasker, chess champion, and Frank J. Marshall, the American expert, it is now officially announced that the first official match for the championship and \$1,000 will be played on Saturday, Jan. 26. They devote two weeks to the New York City chess masters in this city, after which Brooklyn, Philadelphia, Washington, Chicago, Memphis and Kansas city will, in turn, be visited. At the close of the itinerary the match has not been decided, the final games to reach a verdict will take place in New York.

JUAB CO. COMMISSIONERS

Organizes by the Election of George McCune as Chairman—Session of Club.

Nephil, Jan. 9.—Yesterday marked the conclusion of a two days' session by the Juab county board of commissioners. George McCune was re-elected chairman of the board, and with the exception of the literary match has not been decided, the final games to reach a verdict will take place in New York.

The following deputies were appointed: Anna Coleman, deputy clerk; Sadie Sperry, deputy treasurer; Mrs. Louise V. Peterson, recorder for one month; Wm. Bailey, chief deputy assessor; Martin Nelson, deputy assessor for Levant; W. Peterson, Arthur Christensen, range assessors; E. H. Sparks, water commissioner, and E. B. Roberts, of Mona, fish and game warden.

It was unanimously decided to appoint delegates to the arid farm congress, to be held in Denver.

Wm. Wadley, of the state board of horticulture, was in attendance upon the board, and it was decided that the state horticultural law, regarding spraying and inspecting of orchards, would be vigorously enforced.

The payment of bounty on jack rabbits was ordered.

The Commercial club last evening held one of the best meetings had for a long time.

A motion was carried to send delegates to the arid farm congress at Denver. The delegates have not been named as yet.

The board of supervisors was instructed to work for the passage of two bills during the coming session of the legislature. One bill was for the purpose of the arid farming districts of the state, and the other for the adoption of a livestock shipping law, similar to one in force in Texas, whereby, upon application for stock to be shipped, the railroad company is required to furnish cars without freight, hours or pay for freight, and the shipper to pay for the stock in the car.

The committee on city affairs was directed to wait upon the council and urge the planting of suitable trees upon public parks, where the trees are now fast dying out.

The chief matter was the unanimous decision of the club to co-operate with the board of county commissioners to encourage the fruit industry. Expert horticulturists who have examined the locality here, declare that the soil and climate are ideal for fruit growing, and the club decided to lend all possible aid for the furthering of this industry.

MEDICAL SOCIETY SESSION

Utah County Doctors Convene in Regular Monthly Session.

Provo, Jan. 9.—The Utah County Medical society held its regular monthly meeting here today. Dr. David Westwood presided in the absence of the president and vice president.

Dr. Hinckley presented a paper on "Differential Diagnosis" of the common exanthematous diseases (smallpox, etc.). Dr. Westwood presented a paper, postponed from last meeting, on "Chorea," both of which were discussed by the members.

Dr. Taylor read a paper offered by an Egyptian physician of the twelfth century, and Dr. Robinson an article from the Philippine which was rare, complimentary to the medical profession.

Recent current medical literature was presented by Dr. Chitt in the absence of Dr. Robinson.

The use of non-poisonous emulating fluid was discussed in view of the Patrick case in New York, in which poisonous emulating fluid prevented a proper autopsy being made on the remains of Mr. Stiel Patrick's victim.

Dr. Chitt read the article in the Jan. 5 issue of the Journal of the American Medical association on "Osteopathy." Resolutions approving the proposed medical practice act, providing for reciprocity with other states in the matter of licenses, were passed, as were resolutions favoring a uniform fee for expert testimony.

The following officers of W. T. Sherman post No. 6, G. A. R., were installed today: Commander, A. G. Carl; senior vice commander, M. M. Kellogg; junior vice commander, J. K. Bishop; quartermaster, C. C. Whitmore; surgeon, James Williams; chaplain, Joseph M. Westwood; officer of the day, George H. Chappell; officer of the guard, J. F. Smith; adjutant, George Jagers.

Following Woman's Relief corps officers were installed: President, Mrs. Mary W. Warner; senior vice president, Mrs. Lydia M. Johnson; junior vice president, Mrs. W. R. Duffell; treasurer, Mrs. John Werwick; chaplain, Mrs. F. H. Simmons; conductor, Mrs. Ada Watson; guard, Mrs. Jane Packard; secretary, Josephine Kellogg.

The first death in the corps occurred last evening in the person of Mrs. Anna M. Johnson, assistant guard, and her chair was appropriately draped.

There was a large attendance at the funeral services over the remains of Mrs. J. L. Brown, held in the tabernacle today. The speakers were Elder E. D. Partridge, Bishop L. S. Swensen, Elder A. J. Evans, Mrs. Inez Knight Allen, President J. S. Page, Dr. George H. Brimhall, President Daniel John and Bishop A. L. Booth. Beautiful music was rendered by the university choir, and the university band followed the remains from the home to the tabernacle, rendering appropriate selections. The remains were taken to Pleasant Grove for burial.

Miss Alice Brown, formerly deputy county recorder, writes from Los Angeles, where she and her sister, Miss Lillie Brown, are staying for the latter's health, that Miss Lillie has been greatly benefited by the change.

An examination for rural mail carriers will be held in this city Feb. 9. Information relating to the matter can be obtained from J. R. Hodson, clerk of the local board of examiners, up to Jan. 20.

A Boston paper has the following favorable criticism of Miss Florence Jepperson, a well known Utah singer, who is studying in Boston:

"One of the principal numbers on the program of a musical recital given by the pupils of the New England Conservatory of Music, last evening, was that of Miss Florence Jepperson, of Provo, Utah. She sang 'The Rose Tree' in French, 'Garden of Rama' in a delightful manner. Her rendition showed intelligent interpretation and voice control."

L. W. Lund of Pleasant Grove, has brought a large shipment of horses from Iowa to be distributed in the state. They consist of percherons, Belgians and French and German coach horses, and were imported by A. B. Holbert, of Greeley, Iowa.

A marriage license was granted to Lucian L. Noyes, of Provo, and Celeste Salisbury, of Richfield.

Dr. Byron W. King has left for Colorado.

Pupils of Public School Attend Funeral of John W. Foley in a Body.

Eureka, Jan. 10.—Funeral services were held yesterday afternoon over the remains of John W. Foley, the son of Mr. and Mrs. John Foley, who died so suddenly last Tuesday morning, of cerebral hemorrhage. The Methodist Episcopal church, where the services were held, was crowded to its utmost capacity. The pupils of the public school were in attendance, the deceased belonging to the eighth grade, and the members of the boys' athletic club, of which deceased was a member, attended in a body, wearing the pretty purple and white badges of their organization. Rev. J. J. Dunlap, pastor of the church, delivered the funeral sermon. After the services the remains were shipped to Salt Lake City, over the San Pedro. There were pretty floral offerings from the pupils of the eighth grade and also from the Boys' Athletic club. The heartfelt sympathy of the entire community goes out to the bereaved parents.

Mr. and Mrs. John Kealey, of Butte, Montana, have been in Mammoth since last Thursday, visiting the latter's brother, George Hickman. Tuesday they visited relatives in Eureka, and left on Wednesday afternoon for Butte.

We Cure When Others Fail

Many men no doubt hesitate coming to me on account of having been badly treated by other doctors. Perhaps they have become so skeptical as to think there is no cure for them. I want an opportunity to treat just such men. In some cases it makes no difference about the financial part. I will accept pay for my services as benefits are derived, provided I am satisfied the person is sincere and reliable.

SYPHILIS, BLOOD POISON

YOU ARE NEVER SAFE WHILE THIS POISON REMAINS IN THE SYSTEM.

A person afflicted with Blood Poison cannot feel safe while any of the virus or poison remains in the system. This disease, with little doubt, is one of the most horrible and deadly which affects the human family, from the fact that though it is manifested by only a small sore, in a short time it becomes constitutional; the blood is contaminated, the tissues break down, and a multitude of terrible symptoms follow, such as unsightly skin eruptions, sore throat, falling of the hair, pains in various parts of the body, inflamed eyes, general emaciation and debility. Later may follow disease of the nerves, such as paralysis, locomotor ataxia, softening of the brain, insanity, etc. We will cure you if your case can be cured.
